OSA Winter Workshop

January 20, 2021

PRELIMINARY AGENDA

Online Format

BLOCK 1	12:00-2:00 pm Pesticide Safety & Regulations	<p>During this two-hour training we will review pesticide label parts and interpretation (not always easy!), pesticide usage and application calculations, PPE, and proper use of application equipment. In addition, we will cover Oregon recordkeeping requirements for pesticide application.</p> <p>This comprehensive training is developed and conducted by Sprague's team of Board-Certified Entomologists and is eligible for 2 CEUs.</p> <p><i>Presented by Sprague Pest Solutions</i></p>
BREAK	2:00-2:30 pm	
BLOCK 2	2:30-4:30 pm Stored Product Pests & Invasive Species	<p>This two-hour training focuses on the most common stored product pests, their biology, and control methods and mechanisms. During this training, key pests covered will include Indian Meal Moths, Cigarette Beetles, House Mice, and Deer Mice. In addition to these common pests, we will review stored product and invasive species which typically occur in large populations. We will cover what to look for to identify these infestations in your facility and what to do to mitigate and eliminate the problem.</p> <p>This comprehensive training is developed and conducted by Sprague's team of Board-Certified Entomologists and is eligible for 2 CEUs.</p> <p><i>Presented by Sprague Pest Solutions</i></p>

A special *Thank You* to these early sponsors.

Please support these sponsors by doing business with them whenever possible.

REGISTRATION FORM

Please register each attendee and include email address for each guest. Select whether attending the Mid-Winter Meeting and/or any block of the Winter Workshop. Only guests registered for that block will be allowed in the virtual meeting. Use registration form below, or online at www.oregonseed.org/events/winter-meeting/

The first 130 registered guests will receive a special gift, so register early!

Return form by January 15, 2021, to avoid late registration fees, and to guarantee early receipt of meeting link and materials.
